Masonic Passport

May 2026

Second Edition Revision 1 – May 2026

FOREWORD

Brethren,

It gives me great pleasure to present this revised edition of the *DGLEA Masonic Passport*.

Freemasonry is not merely a collection of ceremonies, signs, and traditions. It is a journey of personal growth. A lifelong journey that is shaped by mentorship, friendship, reflection, and active participation within the Lodge. This Masonic Passport has been designed to support that journey, particularly during the formative years of a Brother's Masonic life.

The purpose of this document is not to create a rigid syllabus or administrative exercise. Rather, it is intended to serve as a practical companion for the newly initiated Brother, and as a useful framework for Lodge Mentors and Membership Teams in guiding, encouraging, and monitoring his progress through the Craft and into the Royal Arch.

One of the greatest challenges facing Freemasonry today is not simply attracting new members, but ensuring that every candidate who enters our Lodges experiences sincere and genuine engagement, meaningful mentorship, and a sense of belonging. A Brother who is properly guided and involved from the beginning is far more likely to remain active, inspired, and committed to the principles we profess.

This Passport therefore places emphasis not only on ceremonial progression and learning outcomes, but also on active participation. This includes attendance at meetings, visitations, mentoring sessions, charitable awareness, understanding the structure and purpose of the United Grand Lodge of England and the District, and building relationships with fellow Brethren. Freemasonry is learned not only through books and lectures, but through companionship and experience.

I am particularly pleased that this edition continues to build upon the foundations laid by those who contributed to the earlier version, whilst also incorporating valuable material and inspiration from Solomon and from Brethren across the District. My sincere thanks go to all who have assisted in the preparation and refinement of this publication.

I commend this Passport to all Lodges within the District and encourage Lodge Mentors to use it actively, adapt it thoughtfully, and supplement it with their own experience and guidance.

May it help our newer Brethren take confident steps upon their Masonic journey, and may it strengthen the harmony, engagement, and future of our Lodges throughout the District.

Fraternally,

Mahathir Mahzan

District Grand Master

District Grand Lodge of the Eastern Archipelago

This edition of the Masonic Passport builds on the foundation of the DGLEA Masonic Passport and incorporates valuable input from the UGLE Solomon platform, as well as suggestions and assistance from individual Brethren across the District. We are grateful to Edward Holiday Lodge No 7997 EC for their generous sharing of material, portions of which have been adapted where appropriate. Our thanks go to all who have contributed their time and wisdom to this effort.

MASONIC PASSPORT

District Grand Lodge of The Eastern Archipelago

Introduction

This Masonic Passport is designed as a companion for the newly initiated Brother — a guide to accompany him as he begins his journey through Pure Antient Masonry: the Entered Apprentice, Fellow Craft and Master Mason degrees, culminating in the Royal Arch.

The Passport is structured to support the work of the Lodge Mentor and the Personal Mentor. It provides a flexible framework — not a rigid syllabus — so that each Lodge may adapt it to its own character and needs.

Within these pages, the new Brother will find:

- Key learning outcomes for each degree
- Space to record ceremonies performed, visitations made, and mentoring sessions completed
- Additional context on Masonic knowledge, etiquette, and charitable work

This Passport is intended to be used alongside **Solomon** (<http://solomon.ugle.org.uk/>), the United Grand Lodge of England's online learning platform, to support guided learning and mentoring.

No Passport can capture the full richness of Freemasonry. That richness is found in the Lodge, in conversation, in quiet reflection, and in the company of good Brethren. May this document serve its humble purpose — and may your journey be a rewarding one.

Emergency Information for All Brethren

In cases of extreme emergency, the District Board of Benevolence is authorised to respond rapidly to the needs of a distressed Brother or his family members or the widow of a dearly departed Brother.

Please contact your Lodge Almoner and / or your Lodge Charity Sub-Committee for full details.

The Medical Advisory Committee – the District Board of Benevolence recognizes that the cost of healthcare has increased significantly over the years. In order to defray a portion of these costs, the Medical Advisory Committee was formed by the DBB to assist Brethren who seek a second opinion. The District is fortunate in having a considerable number of medical specialists as members of private lodges under its jurisdiction and it is these Brethren who have kindly volunteered their services on the Medical Advisory Committee.

Please contact your Lodge Almoner and / or your Lodge Charity Sub-Committee for full details.

Getting to Know the Brethren

When you first enter a Lodge, the faces around you may feel unfamiliar. That is normal. Every Brother was once where you are now.

Some of those faces belong to Brethren who will guide you through your initiation. Others will become friends, teachers, or simply quiet companions along the way. Getting to know them — their names, their roles, their stories — is not a task to check off. It is how you begin to belong.

Use this page to write down who they are. In time, you will not need the page. But for now, let it be a small bridge between where you are and where you are going.

Opening Ode

Hail! Eternal by whose aid
All created things were made
Heaven & Earth Thy vast design
Hear us Architect Divine

May our work begun in Thee
Ever blessed with order be
And may we when labours cease
Part in harmony and peace

By their glorious Majesty
By the trust we place in Thee
By the badge and mystic sign
Hear us Architect Divine

Closing Ode

Now the evening shadows closing
Worn from toil to peaceful rest
Mystic arts and rites reposing
Sacred in each faithful breast

God of Light whose love unceasing
Doth to all Thy works extend
Crown our order with Thy blessing
Build, sustain us to the end

Humbly now we bow before Three
Grateful for Thine aid Divine
Everlasting power and glory
Mighty Architect be Thine
